## *Celebrating One Another...*

**BY SAMINA AZAM**

**A place in the world I would love to visit...** Costa Rica - I dream of the day that I can go zip-wiring over the rainforest in Costa Rica absorbing the magnificent scenery from such a height!

Winnie

**What keeps you curious...** software development at the moment, working on digital transformation has my mind buzzing about the possibilities.

Nazia

**Words of wisdom...** never a problem, only a solution.

Gilly

**Happiness means...** love and family.

Shakeela

Name a role model... my parents, who came to this country, learnt the language, worked hard and did everything for their children to have the best life.

Saduf

If you followed a rainbow where would you want it to lead... to a field filled with people I've loved and lost.

Riffat

One word to describe you...happy.

Sarah G

**Favourite quote...** be the change you want to see - Gandhi
